I. Introduction and Statement of Facts

On or about March 21, 2003, Petitioner and Respondent entered into an Auditor Agreement which set forth the terms and conditions of the parties relationship and provided that the parties would settle any dispute arising out of the Agreement by arbitration with the American Arbitration Association (AAA). The Agreement provided that judgment may be entered in a court of jurisdiction within the State of Michigan.

On or about April 15, 2008, Petitioner filed an arbitration claim with the AAA claiming damages as a result of Respondent's breach of the Auditor Agreement. The parties conducted discovery and a hearing was held on March 19, 2009 at which both Petitioner and Respondent were afforded the opportunity to present evidence. Following the hearing, the parties were provided with the opportunity to submit post hearing briefs.

On June 3, 2009, the Arbitrator issued Petitioner an award of Two-Hundred Fifteen-Thousand Five-Hundred Dollars and No Cents (\$215,500.00), plus fees advanced by Petitioner on behalf of Respondent totaling Five-Thousand Five-Hundred Eighty-Seven Dollars and Fifty Cents (\$5,587.50) for a total award of Two-Hundred Twenty-One Thousand Eighty-Seven Dollars and Fifty Cents (\$221,087.50). Petitioner now moves to confirm this award.

II. Applicable Law and Standard of Review

The Federal Arbitration Act ("FAA"), 9 U.S.C. § 1 et seq., provides for judicial enforcement of arbitration awards. The Federal Arbitration Act, 9 U.S.C. § 9, provides that "within one year after the award is made any party to the arbitration may apply to the court so specified for an order confirming the award, and thereupon the court must grant such an order unless the award is vacated, modified, or corrected." *See, Barcume v. City of Flint*, 132 F.Supp 2d 549, 555 (E.D. Mich. 2001). Accordingly, this court has the obligation to confirm

Petitioner's arbitration award into a judgment. See *Doctor's Assocs., Inc. v. Cassarotto*, 517 U.S. 682 (1996) (stating the purpose of the Federal Arbitration Act is to ensure that private Agreements to arbitrate are enforced); *Allied-Bruce Terminix Cos., v. Dobson*, 513 U.S. 265 (1995) ("[T]he basic purpose of the Federal Arbitration Act is to overcome courts' refusals to enforce Agreements to arbitrate.").

The Act expresses a strong policy that arbitration awards should be confirmed, and the scope of judicial review is one of the narrowest standards in all of American jurisprudence. *Nationwide Mutual Ins. Co. v. Home Ins. Co.*, 429 F.3d 640 (6th Cir., 2005). The Act contemplates that courts will have only a limited role in reviewing arbitration awards. *Decker v. Merrill Lynch, Pierce, Fenner and Smith, Inc.*, 205 F.3d 906 (6th Cir. 2000). The 6th Circuit has held that courts will not disturb an Arbitrator's award on judicially created grounds unless the award was entered "in manifest disregard of the law." *Merrill Lynch v. Jaros*, 70 F.3d 418, 420 (6th Cir. 2005). The Supreme Court recently held that, "On application for an order confirming the arbitration award, the court 'must grant' the order 'unless the award is vacated, modified, or prescribed in sections 10 and 11 of this title.'" *Hall Street Assoc., L.L.C. v. Mattel, Inc.*, ___ U.S. ___, 128 S.Ct. 1396, 1405 (2008).

The FAA provides that "[a]ny application to the court...shall be made and heard in the manner provided by law for the making and hearing of motions...." 9 U.S.C. § 6. Applications under the Act are to be treated procedurally in the manner of motions. *Health Services Management Corp. v. Hughes*, 975 F.2d 1253 (7th Cir. 1992). The procedures governing motion practice in this court are embodied in E.D. Mich. LR 7.1, and have been followed by Petitioner.

WHEREFORE, Petitioner, Perry Johnson Registrars, Inc., requests the following relief:

- i. For an order confirming the award.
- ii. For judgment against Respondent in conformity with the award in the sum of \$221,087.50, plus interest from the date of entry of the award.
- iii. For costs and attorney fees incurred in bringing this petition.
- iv. For such other and further relief as the court may deem proper.

Respectfully submitted,

Pilchak Cohen & Tice, P.C.
